

# Course programme

## Advanced Course in Orthopaedic Medicine

### Part 4a

#### (Cervical Spine Advanced)

##### Day 1

0900-0945	Cervical spine: Recapitulation	t
0945-1030	Cervical spine: Recapitulation clinical examination	p
1030-1045	Coffee	
1045-1130	Cervical spine: Recapitulation manipulations	p
1130-1200	Cervical spine: Anatomy vertebrobasilar system	t
1200-1245	Cervical spine: Examination vertebrobasilar system	t,p
1400-1445	Cervical spine: Recapitulation manipulations	t,p
1445-1530	Cervical spine: Manipulation, mobilization (3)	t,p
1530-1545	Coffee	
1545-1615	Cervical spine: Central disc protrusions	t
1615-1700	Cervical spine: Manipulation, mobilization (4)	t,p

##### Day 2

0900-0950	Cervical spine: Acute torticollis	t,p
0950-1015	Cervical spine: Manipulations: strategy	t
1015-1045	Cervical spine: Traction	t
1045-1100	Coffee	
1100-1230	Cervical spine: Degenerative conditions	t,p
1345-1430	Cervical spine: Tumours and metastases	t
1430-1500	Cervical spine: Differential diagnosis of root pain	t
1500-1515	Coffee	
1515-1600	Cervical spine: Post-traumatic pain	t,p
1600-1630	Cervical spine: Recapitulation manipulations	p
1630-1700	Cervical spine: The full articular pattern	t
